*Proceedings of the Madras Government, Judicial Department,
4th August 1862.*

No. 7. Read the following letter from G. S. FORBES, Esq., Collector of Ganjam ; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint George, dated Chatterpoor, 16th July 1862, No. 174.

With reference to the Order of Government, dated the 30th ultimo, No. 1,019, Judicial Department, communicating the observation of the Civil Paymaster "that the Sub-Magistrates of Oodighery and Mahasinghy cannot under the Rules draw the salary of their appointments until the date on which they actually assume charge thereof," I have the honor to explain that I was perfectly aware of the Rule referred to by the Civil Paymaster, and that in my letter of the 4th ultimo, No. 55, I clearly stated the fact and requested the Government to sanction a departure from the Rule in consideration of the peculiar and exceptional nature of the appointments and the country to which the two Sub-Magistrates were proceeding.

I beg to repeat my recommendation that the Government will permit the salary of the two Sub-Magistrates and of their establishments to be drawn from the date of their respective appointments, instead of from the date of assumption of charge as an exception to the general rule.
