PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Revenue, dated 26th June 1862, No. 4,126:—
Read the following letter from G. S. FORBES, Esq., Collector of Ganjam, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Chatterpore, 7th June 1862, No. 124.

SIR,

Adverting to the Board's Proceedings, dated the 22nd ultimo, No. 3,308, I have the honor

* Copy of letter from Collector and Agent, to

dated 31st October 1861, No. 197.

tor and Agent, dated 2nd December 1861,
No. 7,866.

Engineer, dated 5th March 1862.

to observe that the charge should be met like the esti-
mate for building the Kacheris at Nursanapettah and
Sooradah from the Department Public Works Reserve
Fund. I applied for sanction* to build four Kacheris,
but afterwards informed the Chief Engineer that I
could rent or purchase buildings at Ganjam and Kimedya
(two out of the four places). At the latter place we
have taken the former Sibbundy Hospital,† and at
Ganjam the house already described in my letter to the
Board, dated the 6th May 1862, No. 87. It is valued by the Department Public Works at
800 Rupees.

ENCLOSURE No. 1.

From G. S. FORBES, Esq., Collector and Agent to Governor, to Lieutenant-Colonel F.
H. RUNDALL, Acting Deputy Chief Engineer, Northern Circle, Chepauk, dated
Chatterpore, 31st October 1861, No. 197.

SIR,

I have the honor to forward herewith a Plan and Estimate for the construction of a Sub-
Magistrate's Office at Kimedya at the estimated cost of Rupees 1,220, and request you will be
good enough to submit the same for the sanction of Government; Kacheris on the same scale
and at the same cost are necessary at Nursanapettah, Ganjam, and Sooradah, at which places
there are now no public buildings available for the Sub-Magistrates, business being transacted
in houses hired for the purpose.

From Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, D. P. W., to G. S. FORBES,
Esq., Collector and Agent to the Governor in Ganjam, dated Chepauk, 2nd December
1861, No. 7,866.

SIR,

1. Proceedings of Government, No. 356, dated 22nd February 1861.
1 Plan.
1 Estimate.
1 Specification.
No. 356, dated 22nd February 1861.

1. In reply to your letter No. 197,
dated 31st October 1861, I have the
honor to forward for your information
Order of Government as per margin,
whereby you will observe what the views
of Government are on the subject of
Sub-Magistrates' Offices.

2. I have had occasion recently to point out to Government the utter inadequacy of the
sum, Rupees 250, named by them as a standard, which has been so far admitted, that they
have been pleased to sanction sums below stated for the undermentioned Sub-Magistrates'
Kacheris.

Sanctioned 4th July 1861.

A Sub-Magistrate's Kacheri at Kalva in Kurnool for Rupees 530.

Do. at Chapalamadageo in do. for Rupees 505.

Recommended for sanction.

A Sub-Magistrate's Kacheri at Calliandroog in Bellary Rupees

400.

3. It is, I regret to say, hopeless to expect Government, after the standard which they have
laid down as sufficient, to authorize the expenditure of so large a sum as Rupees 1,220 for one
Kacheri. I have therefore no alternative but to return the Plan and Estimate received from
you, and to request that you will be kind enough to inform the District Engineer to what extent

you consider, under the present restrictive orders, the numbers and dimensions of the rooms may be diminished with a view to that Officer's preparing a fresh estimate for another building more likely to obtain the approval of Government.

From G. S. FORBES, Esq., Collector and Agent, to Lieutenant-Colonel W. H. HORSLEY,
Chief Engineer, D. P. W., dated Chatterpore, 5th February 1862, No. 18.

SIR,

With reference to your letter of the 2nd December 1861, No. 7,866, I have the honor to forward herewith a revised Plan and Estimate, &c., for constructing Sub-Magistrates' Kacheris at Nursanapettah, Ganjam, and Sooradah, and request you will be good enough to submit the same for the sanction of Government.

dated 3rd March 1862.

Service Message.

From the Collector of Ganjam, to the Deputy Chief Engineer, 5th March 1862.
Fifth March.—Buildings required at Sooradah and Nursanapettah. We can purchase or rent at Ganjam and Kinedy.

Robinson wishes the Police Stations under the same roof as Sub-Magistrate, so please make the two buildings into one and join the funds.

(True Copies.)

(Signed) G. S. FORBES, Collector.

1. Ordered that the foregoing letter and its enclosures, together with a copy of the Board's Proceedings, dated 22nd May 1862, No. 3,308, and of Mr. Forbes' previous letter of the 6th idem recorded therein, be submitted for the consideration and orders of Government.

2. In his letter of the 6th May last, the Collector of Ganjam reported that a building had been taken at a rent of 6 Rupees a month at Ganjam for the use of the Sub-Magistrate and Police Party stationed there, and requested the Board to obtain the sanction of Government for a moiety of the rent being charged to the Revenue Department, the remaining moiety being debited by the Inspector General of Police to his Department. The Collector intimated at the same time that the building in question could be purchased for 600 Rupees. The Board thereupon directed him to obtain the opinion of the District Engineer, as to whether the building was worth the sum named, and to report how he proposed to meet the rent or the purchase money.

3. Mr. Forbes now reports that the building in question is valued by the Public Works Department at 800 Rupees, and that, in case of purchase, the charge must be met from the Reserve Fund of that Department. As the Board of Revenue are of opinion that the Sub-Magistrate's Kacheri at Ganjam should be the property of Government, rather than that it should be rented from month to month, they beg to recommend that the building be purchased for a sum not exceeding 600 Rupees, to be defrayed, if the Government approve, from the Reserve Fund provided in the Public Works Budget of 1862-63, and debited in equal proportions against the Revenue and the Police Departments. They also request the sanction of Government for charging a moiety of the rent, until the purchase is concluded, to the Revenue Department, on the understanding that the Collector is able to provide for this trifling amount from his Budget Estimate, a fact which he has omitted to state although distinctly requested by the Board to do so.

(True Copies and Extract.)

(Signed) C. G. MASTER,
Acting Sub-Secretary.

ORDER THEREON, 29th July 1862, No. 1,619.

1. Under the circumstances brought to notice, the Governor in Council sanctions the purchase of the building referred to for a sum not exceeding (600) six hundred Rupees; to be debited in equal proportions against the Revenue and Police Departments. Orders will be issued from the Public Works Department as to the source from which the purchase money is to be met.

2. Sanction is also granted, pending the purchase, for a moiety of the rent of the building, viz., Rupees (3) three a month, being charged to the Revenue Department, provided that the amount can be met from the Budget. The other moiety, it is observed, is debited by the Inspector General of Police to his Department.
