*Proceedings of the Madras Government, Judicial Department,
5th August 1862.*

No. 32. Read the following letter from Captain J. C. MACDONALD, Telugu Translator to Government; to the Chief Secretary to Government, Fort Saint George, dated Madras, 1st August 1862, No. 31.

I have the honor to solicit early orders of Government in the following matter. I shall abstain from troubling you with any correspondence which has taken place on the subject, but shall state the case as briefly as possible.

2. It has been the practice in this Office (and in those I imagine of all the Government Translators) to provide in the annual Estimate for printing charges of translations of Acts, the printing paper being supplied from time to time, as required, by the Government Press. As the bulk and number of Acts and number of copies required vary considerably, it would be impossible for the Translators to frame correct Estimates of their probable demands under this head. The Superintendent of the Government Press has hitherto had no difficulty in supplying me with such printing paper as has been required, but has been unable (owing to his not having a sufficient stock on hand) to meet a requisition for fifty (50) Reams of Single Demy forwarded to him on the 23rd July. Telugu translations of Acts XVII and XVIII of 1862, have for some days past been composed and in readiness to be struck off. The Proprietor of the "Varthamāna Tharangini" Press, who has the printing contract, has offered to furnish, on payment, such paper as may be required, pending the receipt by the Government Press of a fresh supply. I have called on him for samples of paper proposed to be supplied, and request the sanction of Government to the purchase of the same on the most favorable terms that may offer, submitting a supplementary Estimate for the cost and following a similar course in all future contingencies of a like nature to the present.

No. 33. ORDER THEREON, 5th August 1862, No. 1,246.

The Telugu Translator is authorized to purchase printing paper for his translations, until he can be again supplied on Indent from the Government Press.

2. The expense will be passed against the Budget provision for the Government Press charges.

(Signed) T. PYCROFT,
Chief Secretary.
