*Report, dated 28th October 1861.

†Letter from the Registrar of the Sudder Court, dated 10th July 1862.

I have the honor to submit herewith for the consideration of Government an Estimate per *Ruppes* 130 for constructing a small Godown to be attached to the Moonsiff's Court at Oodamulpetta, Coimbatore District.

2. The District Engineer represents* that it is required to keep in safe custody property under attachment or sequestration by the Court.

3. The Plan and Estimate have been approved† by the proper authorities, and the

amount if sanctioned may be allotted out of the general Funds of the District.

4. I venture to remark that it is to be regretted that Officers now exercising the functions of the Chief Engineer in their respective Circles are compelled to trouble Government with such trifling matters as that now submitted to them. Deputy Chief Engineers might be allowed I think to sanction up to *Ruppes* 500 for improvements to Government buildings on the combined testimony of the District Engineer and of the Head of the Department concerned.

Referred to the Judicial Department for consideration.
