No. 81. ORDER THEREON, 9th August 1862, No. 1,274.

The Governor in Council considers that no distinction should be made in regard to the sub-
sistence of British born subjects more than any other persons kept in custody in the Mofussil,
during the preliminary investigation on a Criminal charge. The expense should be adjusted in
the Magisterial Bill of the District, without reference to the Commissioner of Police at Madras,
and will be passed in Audit, without the special
sanction of the Government. The Principal
Sudr Ameen will follow that course in respect
to the charge under reference.
