With reference to paragraph 2 of the Despatch from the Right Honorable the Secretary of State for India, recorded in the Proceedings of the Madras Government, Judicial Department, No. 1,182, dated 26th instant, asking for two copies of the Statement of objects and reasons of each of the Bills introduced into the Council and of the Reports of the Committees to which they may have been referred, I have the honor to forward a copy of each of the papers noted in the margin: one copy of each of them having been already forwarded with my letter, No 71, of the 19th instant.

No. 147. From JOHN D. MAYNE, Esq., Clerk of the Council of Fort Saint George for making Laws and Regulations; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Judicial Department, dated 2nd August 1862, No. 74.

With reference to the Proceedings of the Madras Government, No. 1,166, dated 24th ultimo, I have the honor to inform you that the Abstract of the Proceedings of the Council of Fort Saint George for making Laws and Regulations has been taken from the Journal, and assimilated, as far as possible, to the form furnished by the Government of India. No official record has, hitherto, been preserved of the discussions which have taken place in the Council, and, therefore, in this respect, I have been unable to follow the form.

2. An abstract of the debate shall be kept for the future.

3. The Abstract of the Proceedings sent by me does contain a brief marginal abstract of the proceedings on each Bill, as will be seen by reference to the bottom of the first page, and to the paragraphs in which each subsequent Bill is mentioned for the first time. Possibly, the Secretary of State for India desired an abstract of the discussion on each Bill. This, for the reason mentioned above, cannot now be supplied.

4. Under the foregoing explanation, the two copies of the Abstract of the Proceedings returned, are, herewith, retransmitted.
