JUDICIAL DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from the Honorable E. DRUMMOND, Secretary to the Government of India, Financial Department; to the Acting Chief Secretary to the Government of Fort Saint George, dated Fort William, 16th July 1862, No. 4,704.

Financial Department.

I am directed to acknowledge receipt of your letter, No. 868, dated 3rd ultimo, to the address of the Secretary to the Government of India, Home Department, reporting that the Civil Pay Master has been instructed to pass family allowance for the wife and children of Serjeant Jones, Warder in the European Jail at Ootacamund, notwithstanding that his receipt of a Civil salary exceeding Rupees (75) seventy-five per mensem, debars him from the allowance under rule.

2. In the tabular statement which accompanied your letter, No. 672, dated 22nd May 1861, the following scale of charge was entered for the Jailor and Warder.

	Rupees.
Jailor...	200
Head Warder...	80
4 Warders @ 50...	200
	480

The second appointment, viz., on Rupees (80) eighty a month, is that of Serjeant Jones.

3. It is observed in your letter under reply that "it was the intention of the Madras Government that the Civil pay should be in addition to whatever the Warder might be entitled to as a Soldier—that the Warder should draw his full receipts under all heads in the Military Department, and receive his Civil salary in addition to them." The recommendation of the Madras Government on this subject in the previous reference of May 1861, was to the effect that the salaries in the tabular statement were "to be independent of any pay or pension to which as Soldiers the persons who may be selected for these Offices may be entitled." I am desired to enquire whether under the present interpretation of the pay of a Soldier, the Jailor who receives Rupees 200 equally with the Head Warder and his Assistants, will be entitled to bedding, clothing, family allowance and any other of the authorized receipts of a Soldier doing regimental duty. If so, I am to request that the Supreme Government may be furnished with a Schedule of the entire receipts as Soldiers, and in their Civil appointments, of the Jailor and Warders.

4. As the case is now presented to the Supreme Government, it does not appear that family allowance can be given to the Head Warder as a part of Military pay in opposition to Military pay rules, nor does it seem expedient to establish an exception in his favor while the allowance is denied to other Soldiers in Civil employ on Rupees 75 or upwards per mensem; but pending your reply, the point will not be decided finally.

5. If by the denial of family allowance, the Head Warder would be inadequately paid, it might be better, without infringing rule, to meet the difficulty by the grant of a consolidated salary, and in this view I am to request that the Government of Madras may be moved to state what consolidated salaries are suitable for the Jailor and Warders.

ORDER THEREON, 14th August 1862, No. 1,319.

Referred to the Inspector General of Jails in reference to Proceedings 30th April last, No. 698.
