*Proceedings of the Madras Government, Judicial Department,
19th August 1862.*

No. 200. Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 13th August 1862, No. 401.

I have the honor to request the sanction of Government to the purchase from the Department Public Works of the Cattle power Machine and Shafting and a Lathe which were for sale at the Gin House adjoining the Jail at Coimbatore, at a cost of Rupees 825.

G. O., P. W. D., 30th June 1862, No. 1,409.

2. The Cattle power is, I think, an excellent Machine for employing Convicts penally, within walls, and I hope to get it set up. I could not get a similar Machine for double or treble the cost; its power would be available for implement making and generally for carpentry, cart builder's work, &c., and would enable me to supply much that may be needed for the new Jail at that station.

No. 201. ORDER THEREON, 19th August 1862, No. 1,352.

Resolved that the Chief Engineer, Department Public Works, be directed to make over the Cattle power Machine, Shafting and Lathe referred to in the above letter to the Inspector General of Jails for use in his Department.

(Signed) T. PYCROFT,
Chief Secretary.
