*Proceedings of the Madras Government, Judicial Department,
20th August 1862.*

No. 207. Read the following letter from E. F. ELIOTT, Esq., Joint Magistrate in charge of Nellore; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 14th August 1862, No. 26.

Adverting to the Proceedings of Government in the Judicial Department, under date the 5th May last, No. 727, I have the honor to submit copy of a letter from the Zillah Surgeon, Nellore, on the result of his observations of the lunatic prisoner Kuluru Ramudu, whom the Government directed should be kept under Medical observation in the Nellore Jail, his case being reported on by the Zillah Surgeon after the expiration of three months.

2. I beg to support the recommendation of the Zillah Surgeon that the said Kuluru Ramudu should be detained under Medical observation for a further period of three months in the Nellore Jail, when report will again be made of his state of health, and to request that you will be pleased to obtain the sanction of Government accordingly.

From H. ADAM, Esq., Zillah Surgeon, Nellore; to E. F. ELIOTT, Esq., Sub Collector in charge of Nellore, dated 13th August 1862, No. 109.

Referring to the letter of J. W. B. Dykes, Esq., Collector, Nellore, No. 137, dated 10th May 1862, and in conformity with Order of Government, dated 25th April 1862, I have the honor to report that during the past three months the lunatic Kuluru Ramudu has been detained here in this Jail Hospital under observation and treatment, that during that time he has occasionally laboured under great mental excitement, when he has generally been extremely restless and noisy, and has used abusive language to those about him. Care has always been taken that no cause should be given to rouse him, by cautioning those in the Jail and Hospital in no way to interfere with him, and he has never during the period of his detention shewn an inclination to violence to individuals. As he has already derived benefit from the treatment which has been carried out, he is now most quiet and inoffensive, answers rationally when spoken to, associates, messes and sleeps in the cell with the prisoners, and willingly takes a share in their work. I would recommend that he be longer detained for another period of three months to ascertain if the good derived will continue, when he would be again reported on.

(True Copy.)

Joint Magistrate in charge.
