*Proceedings of the Madras Government, Judicial Department,
22nd August 1862.*

No. 236. Read the following Proceedings of the Sudder Court, dated 14th August 1862, No. 101.

Read again letter, dated the 2nd ultimo, from the Civil Judge of Bellary, forwarding copies of correspondence on the subject of the permanent retention of the Principal Sudder Ameen's Court.

Read also Order of Government, dated the 15th ultimo, No. 1,114, communicating copy of a letter from the Civil Judge of Bellary, regarding the postponement of the abolition of the Principal Sudder Ameen's Court, and stating that Government will await a communication from the Sudder Court on the subject.

Read also letter, dated 2nd August 1862, from the Civil Judge of Bellary, forwarding a Statement shewing the state of the files of the Civil and Session Court and the Court of the Principal Sudder Ameen on the 31st July 1862.

1. It appears from the statement which accompanied the Civil Judge's letter of the 2nd instant, that the Civil files are extremely light, there being only 11 appeals on the Civil Judge's file, and 11 original suits and 75 appeals on the Principal Sudder Ameen's file on the 31st ultimo, and if the Session Judge holds 15 or 20 days' sittings at each monthly Sessions, there will, in the opinion of the Court, be no difficulty in keeping the Civil files clear.

2. The Court do not apprehend that there will be any marked increase of Criminal work by giving to the Session Judge the power of a Subordinate Judge, as the cases committed to him in that capacity will be only those arising within the limits of the Zillah Station as laid down at page 5 of the Court's Rules of Practice, dated the 28th April last.

3. The Court do not therefore recommend the retention of the Principal Sudder Ameen's Court beyond the close of the present year.
