23rd August 1862.*

Read the following papers :—

No. 247. Proceedings of Government in the Public Works Department, dated 13th May 1862, No. 1,028.

*Forwarding for consideration in the Judicial Department the representation of the Inspector General, Madras Police, of his inability to take charge of the buildings at Gooty referred to in Judicial Proceedings of Government, No. 178, dated 6th February last, without extra aid.* (Vide Proceedings Public Works Department, dated 13th May 1862, Nos. 277 & 278.)

Referred to the Inspector General of Police.

FORT SAINT GEORGE,  
19th May 1862.

No. 248. From W. ROBINSON, Esq., Inspector General of Madras Police; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint George, dated Trichinopoly, 7th August 1862, No. 1,753.

*Audit Department.*

With reference to Government Order, No. 1,028, dated 13th May 1862, Public Works Department, *Judicial*, I have the honor to state that the buildings at Gooty, cannot, in my opinion, be properly watched without the extra aid (2 Constables) solicited.

2. As stated in my letter, No. 791 of the 16th April 1862, the inconvenient position of the buildings in question (on the top of a hill) renders it impossible that the patrol should undertake this duty unaided.

No. 249. ORDER THEREON, 23rd August 1862, No. 1,378.

The Governor in Council observes that it is not necessary that the buildings at Gooty be "watched" continually by any special agency. It will suffice if they are visited occasionally, say once a week, by the Police in the neighbourhood, and any thing found to require notice reported. This must be done without any addition to the present Police Establishment at Gooty.

2. The Collector of Bellary will report whether the buildings in question are ever likely to come into use—and if not, whether the buildings as they stand, or the materials, may not be disposed of by sale.

*Chief Secretary.*

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from W. ROBINSON, Esq., Inspector General of M. Police, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 16th April 1862, No. 791:—

SIR,

\* Letter from the District Engineer of Bellary, to the Deputy Chief Engineer, Central Circle, dated 19th October 1861, No. 338.  
Letter from the District Engineer of Bellary, to the Deputy Chief Engineer, Central Circle, dated 25th November 1861, No. 332 (in original).

1. With reference to the accompanying correspondence\* and Order of Government, dated 6th February 1862, No. 178, Judicial Department, I have the honor to request the authority of Government to take charge of the buildings at Gooty, charging the Department Public Works with the cost of two Constables required for the extra duty.

2. The inconvenient position of the public buildings in question, renders it impossible that the patrol should undertake this duty unaided.

ORDER THEREON, 13th May 1862, No. 1,028.

1. The representation of the Inspector General Madras Police of his inability to take charge of the buildings at Gooty without extra aid will be considered in the Judicial Department.

2. It would appear sufficient for the custody of the buildings if the Police looked after them in their occasional patrols in the vicinity thereof. The charge for extra Constables cannot be undertaken by the Public Works Department.

Secretary to Government.
