*Proceedings of the Madras Government, Judicial Department,
29th August 1862.*

No. 286. Read the following letter from R. H. WILLIAMSON, Esq., Postmaster General; to T. PYCROFT, Esq., Chief Secretary to Government, Judicial Department, Fort Saint George, dated 19th August 1862, No. 2,905.

With reference to paragraph 2 of the Proceedings of Government, dated 19th May last, No. 803, I have the honor to submit a plan of the buildings and ground formerly used as Court Houses at Salem, and to state that the building A. is the one best adapted for the requirements of the Post Office at Salem.

2. A small extent of the ground around the building in question is also required, with a view to making certain additions, which are shown in the accompanying plan marked No. 2. The superficial area of the building and ground required, amounts to 10,287 square feet, and in the event of a new Post Office being built, the same amount of space is likely to be required.

No. 287. ORDER THEREON, 29th August 1862, No. 1,405.

Communicated to the Civil Judge of Salem, who is requested to furnish the information called for in paragraph 1 of the Order of the 19th May last, No. 803.

2. It is concluded that the Postmaster General will not, if allowed the Court House he has selected for a Post Office, require in addition, the building at present used by his Department.

Chief Secretary.
