* Vide letter from District Engineer, No. 2,191, dated 24th April 1862.

I have the honor to submit herewith an Estimate amounting to Rupees 1,280, for converting the old cooking sheds attached to the Trichinopoly Jail, but now disused, into 18 "separate Cells," in two ranges of 9 each.

2. The Plan and Estimate were originally framed on the requisition of the Sessions Judge, who considers* the work in question to be urgently required. I therefore beg to recommend the outlay for sanction; to be met for the present out of the General Funds at the disposal of the District Engineer under the proper head of entry.

3. The approval of the Inspector General of Jails has been obtained;† the Plan indeed of the Cells being Mr. Rhode's.
