Proceedings of the Madras Government, Judicial Department,
1st September 1862.

No. 5. Read the following letter from H. A. MANGLES, Esq., Acting Deputy Auditor and Accountant General; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 20th August 1862, No. 169.

Budget and Finance Department.

* To be returned.
Amount of Budget Estimate Rupees 7,000
Do. sanctioned
Difference 254

I have the honor to enclose an original* letter from the Coroner of Madras, dated the 18th instant, No. 135, and its enclosure, being a Supplemental Estimate for the current year for Rupees 254, being the difference between the amount provided in the Budget Estimate and that sanctioned by the Government of India.

2. On reference to the General Abstract of Expenditure marked X. Y. Z. appended to the letter of the Financial Secretary to the Government of India sanctioning the Budget Estimates of this Presidency, it will be seen that all the amounts entered in the column headed "sanctioned by the Government of India" are in round numbers, this accounts for the difference Rupees 254 above alluded to. As the amount is trifling and not worth troubling the Supreme Government with a Supplemental Estimate on that account, I would suggest that the Civil Paymaster be authorized to pass the full amount of the Coroner's Estimate, viz., Rupees 7,254, the difference being met from savings under the major head "Law and Justice."

No. 6. ORDER THEREON, 1st September 1862, No. 1,431.

Interpreter from 52½ to 70 Rupees 17½
Constable from Rupees 35 to 50 15
Increase 32½
For 8 months 260

The Accountant General has submitted a Supplemental Estimate for Rupees 254 from the Coroner of Madras, and, apparently without referring to the Budget, has recommended that this supposed excess above the sanctioned grant should be met from the savings under Law and Justice.

2. The allotment for the Coroner in the X. Y. Z. statement of the Government of India, is Rupees 7,000—whereas his Estimate amounts to only Rupees 6,864, and includes a sum of Rupees 390 for the increase to the pay of the Interpreter and Constable, as stated in the marginal note in the Budget.

3. Mr. Mangles will return the Coroner's Supplemental Estimate with a note to this effect.

Letter to Government of India, 1st March 1862, No. 276, paragraph 4.

4. The increases in question were intended to be passed to the Interpreter and Constable from the 1st May last.

(Signed) T. PYCROFT,
Chief Secretary.
