Proceedings of the Madras Government, Judicial Department, 30th January 1862.

No. 208. Read the following letter from W. ROBINSON, Esq., Inspector General of Madras Police; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 17th January 1862, No. 116.

Audit Department.

With reference to Government Order, No. 1,430, of the 22nd November 1861, on the subject of payment by Departments for Police furnished as Watchmen, I have the honor to report that under the new rules any delay in the receipt of the Cash from Departments will cause inconvenience in paying the men of the Police Force.

2. The pay of each District Force is now taken up in advance at the commencement of each month, and if the pay of men supplied to Departments is not forthcoming, all the men will not receive their pay at the same time, an arrangement which I think is objectionable.

3. I have been in communication on the subject with the Accountant General, who sees no objection to the pay of men supplied to Departments being taken up in advance, as hitherto, with that of the rest of the Force. After the audit of the Bill presented by the District Police Officer, the Heads of the Departments would pay the amount into the Treasury, forwarding the receipt of the Collector to the Superintendent of Police.

4. I have the honor to request that you will be so good as to obtain the sanction of Government to this arrangement.

No. 209. ORDER THEREON, 30th January 1862, No. 143.

The Government sanction the arrangement suggested in the above letter, which it would seem is assented to by the Accountant General. That Officer, and for Police Guards supplied to the Military, the Controller of Military Finance, will issue the necessary orders to the subordinate authorities.

(Signed) T. PYCROFT,
Chief Secretary.
