*Proceedings of the Madras Government, Judicial Department,
10th September 1862.*

No. 65. Read the following Extract from the Proceedings of the Government of India, in the Financial Department, dated 24th July 1862, No. 5,157.

From Lieutenant Colonel H. BRUCE, c. B., Inspector General of Police in India, to A. M. MONTEATH, Esq., Under Secretary to the Government of India, Home Department, dated Nagpore, 4th June 1862, No. 30.

In returning the documents noted in the margin, I have the honor to state that I consider the proposition of the Inspector General of Madras Police for the re-distribution of the Ranges of the Deputy Inspectors General so as to form four instead of five charges, and that a part of the saving effected by the abolition of the fifth Deputy Inspector General may be applied for providing the Inspector General with an Assistant and strengthening his Office establishment, appears to me quite unobjectionable, and I beg, therefore, to recommend that it be sanctioned.

2. Might I request the favor in future when printed papers are forwarded for my opinion that a spare copy may accompany.

No. 3,310, HOME DEPARTMENT, FORT WILLIAM, THE 4TH JULY 1862.

Copy of the above letter, and of that marginally noted, forwarded to the Financial Department, for further consideration and orders, with the remark that the proposed arrangement would seem to be desirable, but that the Governor General in Council is inclined to think that a salary of Rupees 800 a month is ample for the office referred to.
