Proceedings of the Madras Government, Judicial Department,
12th September 1862.

No. 89.

ORDER THEREON, 12th September 1862, No. 1,484.

From the statement submitted by Mr. Rohde, it seems that Serjeant Jones is not the Head Warder of the Jail, but only one of the Warders, and that his Civil salary does not exceed Rupees 75 per mensem. His total receipts in the Civil and Military Departments, exceed that sum.

2. The Jailor, Head Warder, and one of the Warders are Pensioners, and draw nothing beyond Civil pay, except their pensions. The other three men are on probation only for one year, much of which has already expired. As they have been engaged on condition of receiving their family as well as other allowances, faith must be kept with them, but all Soldiers who may be thus taken on probation for the future, will, as proposed by the Inspector General of Jails, receive only their furlough pay, in addition to their Civil salary on the establishment of the Ootacamund Jail.

3. These Orders will be reported to the Government of India, in reference to their letter, 16th July last, No. 4,704.

(Signed) YCROFT,
Chief Secretary.

No. 90. To the Secretary to the Government of India, dated Fort Saint George, 12th September 1862, No. 1,485.

I am directed by the Government of India, to forward to you, No. 4,704, a statement showing the monthly receipts of the Jailors and Warders of the Ootacamund Jail, together with a copy of a letter, 27th ultimo, No. 447, from the Inspector General of Jails.

2. It will be seen from the statement that Serjeant Jones is not the Head Warder of the Ootacamund Jail, but only one of the Warders, and that his Civil salary does not amount to Rupees 75 per mensem. His total receipts in the Civil and Military Departments, exceed that sum.

3. The Jailor, Head Warder, and one of the Warders are pensioners, and draw nothing beyond their Civil pay, excepting their pensions. The other three men are on probation only for one year, much of which has already expired. As they have been engaged on condition of receiving their family as well as other allowances, faith must of course be kept with them in this respect. The Government have, however, directed, as proposed by the Inspector General of Jails, that all Soldiers who may hereafter be thus taken on probation on the establishment of the Jail at Ootacamund, shall receive only their furlough pay, in addition to the Civil salary.

Chief Secretary.
