SIR,

1. I have the honor to submit herewith a letter from the Acting District Engineer, Godavery, No. 409, dated 4th instant, together with two Bills for repairing the same number of paddle boats for the use of the Police Department, and to request that the Bills may be sanctioned and permission given for writing the value of the boats (Rupees 400) off the books of the District Engineer.

2. The vessels referred to were made over to the Superintendent of Police in pursuance of Order of Government in the Judicial Department No. 534, dated 2nd April 1862.

ORDER THEREON, 8th September 1862, No. 2,145.

1. Communicated to the Judicial Department, with reference to the Orders in that Department dated 2nd April 1862, No. 534.

2. As the boats have been fitted up and handed over to the Police Officers of the Godavery District, the proper course for adjusting the transfer of the boats seems to be the reimbursement of their value, inclusive of the cost of repairs recently executed, to the District Engineer. According to the Bills received the amount to be reimbursed is Rupees 258-12-10 + 365-0-5 = Rupees 623-13-3.
