As directed in the Government Proceedings, No. 1,308, dated the 13th ultimo, I have the honor to report that the Arms still in the possession of this Department consist of a few Muskets and Swords, all old and nearly useless, also a few Spears and some cartridges and flints. On the introduction of the new Police, I made over to the Ordnance Department the greater portion of the Arms in use; and I have now called on the Taluq Magistrates and others concerned to forward to me the Arms remaining in their possession; on their reaching my Office I will lose no time in returning them to the Ordnance Department.
