## PUBLIC DEPARTMENT.

### *PROCEEDINGS OF THE MADRAS GOVERNMENT.*

Read the following letter from C. G. MASTER, Esq., Secretary Board of Examiners; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 30th October 1861, No. 449.

I have the honor, by desire of the Board of Examiners, to submit for the favorable consideration of Government an arrangement which they propose to make in their Office, but for which the sanction of Government is required.

2. Their Office Establishment has hitherto consisted of a Manager, a Clerk and a Shroff.

3. The duties of this last named Officer were the drawing monthly from the Treasury the salaries of the Junior Civil Servants, Moonshees and Office Establishment, disbursing the same, keeping accounts, &c.; for this he received 14 Rupees a month.

4. Though styled Shroffs, the incumbents have been men who looked for promotion as Moonshees and in other ways; the post of Shroff being considered merely the stepping stone to something better.

5. A recent vacancy having occurred in the Office in question, and difficulty having been experienced in procuring the services of a *real* Shroff, it has occurred to the Board that as the duties are not very onerous, and as they have, for the last four or five months, been satisfactorily performed by the Manager, it will be the most convenient arrangement to allow him to continue doing the work, and also to draw the Shroff's pay in addition to his own. There is really not sufficient occupation for a separate Shroff, but some one must be responsible for doing what requires doing, and the Board therefore consider that if the Manager is to do the work, he should be allowed to receive the remuneration, especially as his own salary does not exceed 70 Rupees per mensem; under the proposed arrangement and without extra expenditure to the State, it will thus be raised to Rupees 84.

6. They trust, therefore, that the Government will be pleased to accede to this application. In case sanction is accorded, they would propose that it should have effect from the 29th May last, the date of the dismissal of the late incumbent.

---

ORDER THEREON, 14th November 1861, No. 1,521.

The Manager of the Board's Office may, as proposed, be allowed to undertake the duties of the Shroff in addition to his own, with an increase of fourteen Rupees (14) to his salary, thus raising it to Rupees (84) eighty-four per mensem. This arrangement will have effect from the 29th May last.
