*Proceedings of the Madras Government, Judicial Department,
24th September 1862.*

No. 247. Read the following letter from W. ROBINSON, Esq., Inspector General of M. Police ; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 15th September 1862, No. 2,085.

General Department.

I have the honor to request the sanction of Government to construct the four 2nd class Station Houses, as named in Colonel Walker's letter, herewith submitted, in the District of Canara this year, instead of 2 as contemplated.

2. The opinion of local Officers is unanimous as to the advisability of allotting the required funds from those allowed this year, for the above purpose, and Colonel Walker explains that considerable progress has been made towards collecting materials, &c.

From Lieutenant Colonel G. W. WALKER, Acting District Engineer South Canara ; to the Inspector General of Police, dated Feringypett, 9th September 1862, No. 80.

I have the honor to request that you will procure the sanction of Government for proceedings which I have unauthorizedly adopted with respect to the construction of Station Houses in this District, under the supposition that 2 were to be built out of each year's sanction, whereas it now appears that only 2 are to be built altogether.

2. Captain Hankin and I originally proposed to build 6 Station Houses out of the supposed aggregate sanction of Rupees 9,000, but the announcement that Rupees 5,400* was the total sum allowed caused us to limit our arrangements to the construction of 4, being 2 for each year's sanction ; and I have been making up doors, windows, ventilators, &c., and collecting other materials on that scale, in which it now appears that we have exceeded our instructions.

3. I need not reiterate Captain Hankin's opinions of which you are doubtless well informed, as to the greater need of Police Stations than of Huts in this District, opinions concurred in by the Magistrates and myself (if my judgment be admissible); it will suffice if I specify the undermentioned allotment of sanction as that for which the sanction of Government is requested.
