Proceedings of the Madras Government, Judicial Department,
3rd February 1862.

No. 13. Read the following letter from THOMAS WILKINS, Esq., Acting Deputy Registrar of the Sudder Court; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 21st January 1862, No. 10.

I am directed by the Judges to state with reference to the Order of Government, dated 30th November last, No. 1,477, that the explanation furnished by the Magistrate as to the reason of Mr. Jordan the Joint Magistrate of Chingleput having disposed of so many more cases in 1860, under Act XIII of 1859, than any other Criminal authority, is to the effect "that the principal cause of the great number of cases disposed of in this District, as compared with the Returns elsewhere, is the near vicinity of Sydapet to Madras. Sydapet is a great place for the manufacture of bricks, and extensive contracts with brick-makers here and in the adjacent villages are continually being entered into by parties at Madras, Sydapet also largely supplies material for road making, and a considerable trade in cloth weaving is carried on. Thus, disputes are frequent in connection with these transactions giving rise to complaints of breach of contract falling under Act XIII of 1859, and they are settled in a some-what summary manner to the great convenience and relief of the people."

No. 14. ORDER THEREON, 3rd February 1862, No. 163.

To be recorded.

(Signed) T. PYCROFT,
Chief Secretary.
