*Proceedings of the Madras Government, Judicial Department,
6th October 1862.*

No. 47. Read the following letter from V. H. LEVINGE, Esq., Collector of Madura; to J. D. SIM, Esq., Secretary to Government, Judicial Department, Fort Saint George, dated 11th September 1862, No. 540.

As the Board of Revenue have directed me not to allow my Salt Deputy Collector Ram Row to perform any Magisterial duties in the Zemindaries of Ramnad and Shevagunga, I have the honor to request the Government will appoint a Magistrate having full powers to this District to take those duties in the Zemindaries, otherwise the inhabitants of those Zemindaries will be likely to suffer great inconvenience and injustice for want of a resident Magistrate, and great delay is likely to occur in the disposal of cases arising in those Zemindaries.

2. On the suspension and removal of Mr. Hayes, I brought to notice that I had made his duties over to the Salt Deputy which was not objected to. On my asking for a Magistrate in his room, one was refused, and I was directed by Government to make arrangements with my Subordinates. I did so by getting the Salt Deputy to do those duties, which was the most convenient and the only one I could make; as the Board have disallowed it, I beg the Government will appoint a Magistrate at once, as I have no one else to take the duties.

3. I have a Sub Collector who besides his own charge takes the Magistrate duties of one of my Taluqs. I have a 4th class Deputy Collector who takes the duties of an Assistant and Head Assistant Magistrate and who does in addition, since the abolition of the Sub Court, all the cases formerly going before that Court and arising in the Collector's Division and in the Shevagunga Zemindary and part of Ramnad so that I cannot give him any more work to do.

Transferred to the Judicial Department.

Ag. Dy. Secretary to Government.
