*Proceedings of the Madras Government, Judicial Department,
8th October 1862.*

No. 63. Read the following letter from Lieutenant Colonel J. OUCHTERLONY, R. E., Deputy Chief Engineer, S. C.; to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, P. W. D., dated 19th September 1862, No. 102.

Enclosures 4.

1 Letter from District Engineer, No. 1,326, dated 23rd December 1861. 1 Specification by Inspector General of Jails, dated 22nd August 1861. 1 Lithographed Plan. 1 Abstract Estimate.	I have the honor to submit herewith a Plan and Estimate for a Jail at Madura, amounting to Rupees 27,000, prepared in pursuance of G. O., No. 1,305, dated 15th July 1861, in communication with the Inspector General of Jails, who has countersigned the Plan.

2. In preparing the Estimate deductions have been made from the gross amount for the value of the materials of the old Jail, and for that of Convict labor; the latter to be applied chiefly to the quarrying of stone, brick-making, transport of materials and assistance in artisans' work.

3. Should Government decide to carry out the work in question, a special grant must, I think, be made for the purpose from the Reserve Fund, as the general resources of the District will hardly bear this additional strain.

Referred to the Judicial Department, with reference to the Order in that Department, No. 881, dated 9th July 1861.

CHEPAUK,
