*Proceedings of the Madras Government, Judicial Department,
13th October 1862.*

Read the following papers:—

No. 95. From D. F. CARMICHAEL, Esq., Acting Agent to the Governor, Vizagapatam ; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 7th August 1862, No. 358.

In acknowledging the Proceedings of Government, Judicial Department, and Order thereon, dated 25th July 1862, No. 1,177, I have the honor to submit the Tabular Statement of the Establishment, &c., for this District, the permanent charge amounting to Rupees 263-4-8 a month, and the Casual or Extraordinary to Rupees 372-6-8, for which the sanction of the Government of India is required.

2. It will be observed that the Medical Establishment sanctioned for Jeypur is not included in this Statement. I have omitted it, as I imagine that it will be incorporated in the one to be submitted by the Inspector General of Mofussil Police.

Order of Government, dated 8th May 1862, No. 757.

No. 96. From G. S. FORBES, Esq., Collector of Ganjam ; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Chetterpore, 3rd September 1862, No. 880.

1. With reference to the Order of Government, Judicial Department, dated 25th July last, No. 1,177, I have the honor to submit a Tabular Statement in the prescribed form, for the Establishment entertained in Ganjam in consequence of the abolition of the Meeriah Agency, and a Supplemental Budget Estimate for the charges for the year 1862-63.

2. There being no actual data to work upon, the Government will not fail to observe, that the Budget Estimate has been framed for a maximum amount of charge.

3. As a very heavy item in the Budget submitted, is on account of purchase of the Elephants for this Agency, I beg to draw the attention of Government to the following points. The 13 Elephants lately in use in the Meeriah Agency were in the O. G., dated 1st March last, No. 124, Political Department, directed to be transferred to the Commissariat Department. In the G. O. of the 19th June last, No. 2,176, M. D. the Commissariat were ordered to make over, under a money valuation, 7 Elephants to the Police, 4 to the Ganjam and 4 to the Vizagapatam Agencies. There are, however, 4 Elephants belonging to the Ganjam Agency, independent of the number attached to the late Meeriah Agent, these animals have been in use in this Agency for some years past, their feeding and keeping charges have been provided for in the District Budget submitted to the Accountant General on the 5th December 1861. It is not necessary therefore that 4 additional Elephants should be made over to us. In the Supplemental Budget now submitted, however, provision is made for the purchase of 4 Elephants and a sum of Rupees 4,000 inserted as their money valuation as directed by Government. If therefore it be decided that no more than the 4 Elephants already attached to this Agency should be retained, the feeding, &c., charges of the 4 extra Elephants which the Commissariat Department were directed to make over should be excluded from the Budget, and I presume also the valuation money, as it can scarcely be necessary to go through the form of purchasing the 4 animals which have been already in use here fully three years.

No. 97. ORDER THEREON, 13th October 1862, No. 1,679.

A Tabular Statement prepared from the Statements submitted by the Agents, and showing the charges to be incurred, on account of salaries and establishments, under the arrangements to take the place in this Presidency of the late

for the servants, noted in the margin, apparently now for the first time proposed for the Vizagapatam Agency.

Proceedings of the Madras Government, Judicial Department,
13th October 1862.

2. The Agent in Vizagapatam has not furnished a Supplemental Estimate—but sufficient information is contained in the single statement received with his letter. It will accordingly be forwarded with the Ganjam Agent's Supplemental Estimate, to the Deputy Auditor General, in view to the various items being arranged under the proper Budget heads, and the orders of the Government applied for towards the whole amounts, or portions of them, as the case may be being met from savings.

Proceedings, 24th May 1862, No. 835.

3. The batta, &c., to be disbursed to the rescued Meriahs will, it is observed, be a charge against the Government of India.

4. Under the circumstances stated in Mr. Forbes' letter, the 4 Elephants proposed to be transferred to the Ganjam Agent in the Quarter Master General's letter recorded in Proceedings, 19th June last, No. 2,176, Military Department, are clearly not required, and the purchase money and other provision for Elephants will be struck out of his Supplemental Estimate. It is not necessary that payment should be made for the Elephants furnished before the system of cash payments between Departments was brought into force under the Orders of the Government of India.

5. Mr. Carmichael remarks that the Medical Establishment sanctioned for Jeypore is not included in his Statement, as he imagined that it would be incorporated in the Police Estimate.

Proceedings, 14th August 1862, No. 1,815.

This estimate has, it is observed, been made payable from the savings in the Budget. The Deputy Auditor General will ascertain whether the Medical Establishment as sanctioned in the Order of the 23rd July last, has been duly provided for.

(Signed) T. PYCROFT,
Chief Secretary.
