4. These Returns may, for the future, be forwarded by the Commissioner of Police, with the Police Statements for publication, and like them should be for the Calendar year. Thus the next will be for the current year 1862.

remaining on the 31st Decem-
ber 1860 and received during
the year 1861, were more
than Ten per cent of the
entire number. As prisoners
of these classes receive
higher rations and are
more expensive in the
item of clothing, & the
expenditure on account
of so many of them must
materially affect the
average cost per prisoner
on the whole body con-
sidered, in the Penitentiary.
Thus, the rations of a Native
prisoner are valued at
One Anna and Nine and
a half Pies per diem,
which amounts to Rs. 40-11-
for 365 days—a sum con-
siderably short of the
average for rations shown
in the return, viz Rs. 51-1-11.
3. The Governor in
Council would wish the
future return for the
Penitentiary to be so modi-
fied as to exhibit separate-
ly the cost for European
and

and East Indian Prisoners
and that for Native Pri-
soners in all those items,
where the allowances differ.

1. These returns may
for the future be for-
warded by the Commis-
sioner of Police, with the Police
Statements for publication

the next will be for the
