Proceedings of the Madras Government, Judicial Department,
21st October 1862.

No. 182. Read the following letter from C. F. CHAMIER, Esq., Registrar of the High Court of Judicature at Madras; to the Honorable T. PYCROFT, Chief Secretary to Government, Fort Saint George, dated 9th October 1862, No. 19.

With reference to the Order of Government, dated the 3rd instant, I am directed to enclose copy of a letter recently addressed by the Chief Justice and Judges to the Officiating Civil Paymaster, pointing out that all appointments of District Moonsiffs to a higher grade are intended by the Court to take effect from the date of the superior salary being vacated. The same principle will apply to Acting appointments; the person promoted receiving half his own salary and half that of the superior grade, from the date on which the vacancy occurred.

From C. F. CHAMIER, Esq., Registrar of the High Court of Judicature at Madras; to W. J. RAYNOR, Esq., Officiating Civil Paymaster, dated 3rd October 1862.

As some delay must necessarily occur in this Office in the appointment of District Moonsiffs, owing to the frequent want of information as to the fittest person for promotion under the rules prescribed by Government in para. 1 of their Proceedings, dated 26th June 1862, No. 999, I am directed by the Chief Justice and Judges to inform you that the appointments made are in every case intended to take effect from the date on which the superior salary may have been vacated, and to request that you will pass the salary Bills of the District Moonsiffs accordingly, without any special announcement being made by the Court in each case. You will observe that no District Moonsiff has to join another station on promotion, but merely receives a higher salary, continuing at his former post.

(True Copy.)

(Signed) C. F. CHAMIER,
Registrar.

No. 183. ORDER THEREON, 21st October 1862, No. 1,730.

Communicated to the Civil Paymaster, who will pass the deputation allowances of Acting first and second class District Moonsiffs accordingly.
