*Proceedings of the Madras Government, Judicial Department,
22nd October 1862.*

No. 196. Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated Ootacamund, 4th October 1862, No. 516.

I have the honor to acknowledge the Order of Government referring to me Mr. Collett's letter of the 22nd September, requiring that a Writer, on a salary of fifty Rupees, should be attached to his Court, to keep the cash accounts connected with the Jail.

I have for many years (from 1835 to 1855) had immediate charge of Jails, and I cannot recommend the increase of establishment Mr. Collett applies for; the duties of the Judge's establishment, in connection with the Jails, are now very trivial, the Jail Writer and Jailor undertaking all details. The cash account, omitting items of receipt and disbursement of batta to Civil Prisoners, with which the Prisons Department has no concern, were, when I inspected them at Chittoor, very few and small. I am convinced from long personal experience that the charge of a Zillah Jail, need not in any way interfere with the duties proper to a Sessions Judge, or with that of his establishment.

No. 197. ORDER THEREON, 22nd October 1862, No. 1,738.

Resolved that the Acting Session Judge of Chittoor be informed that the Government having fully considered the subject of his letter of the 22nd ultimo, and communicated with the Inspector General of Jails in regard to it, are not prepared to sanction any increase to his present Jail Establishment.

(Signed) T. PYCROFT,
Chief Secretary.
