Proceedings of the Madras Government, Judicial Department,
29th October 1862.

Read the following papers :—

No. 264. From Lieutenant Colonel W. J. WILSON, Commissioner of Police; to the Honorable T. PYCROFT, Chief Secretary to Government, Fort Saint George, dated 24th September 1862, No. 112.

I have the honor to report that Market Constable Charles Revell has been obliged to resign his situation owing to the state of his health which is such as to preclude any reasonable chance of his being able to return to duty.

2. He has served in the Police Force, and as Market Constable for eight years and eight months, and the ordinary deductions on account of the Police Superannuation Fund have been made from his pay, since the Police Act of 1856 came into force.

3. As he has always borne an excellent character, I beg to recommend that he may be allowed a Gratuity equal to four months' pay which would amount to Rupees 240, which sum can be met from the sum of Rupees 4,180 entered in the Estimate of Disbursements for 1862-63.

4. I have also the honor to state that Boatman Rasapen of the Marine Police Force has been discharged owing to his having lost the use of his right arm immediately after a severe attack of small-pox, and I submit that he may be allowed a Gratuity of 40 Rupees, to be defrayed from the same source.

5. An application shewing the length of service of both these individuals is forwarded herewith, as also two Medical Certificates.

No. 486.

REPORT OF THE CIVIL PAYMASTER.

General Department.

The Officiating Civil Paymaster has the honor to report that the service of Market Constable Charles Revell, extends over a continuous period of 8 years and 8 months, viz., from 1st February 1854 to 30th September 1862.

The service of P. Rasapen, Boatman of the Marine Police Force, cannot be verified, as the office and salary only of his grade, and not names, are shewn in the returns received in this Office, Colonel Wilson however states it to have been 10 years and 9 months on 10 Rupees a month.

No scale is given in Act XIII of 1856 for gratuities to be granted to persons employed in the Police Force, but it rests with the Government to grant gratuities at its discretion under Section XVII of the above mentioned Act. The Government have on a former occasion granted gratuities to two individuals. Vide Government Order, dated 11th July 1862, No. 1,099, Judicial Department.

Sir,

I have the honor to express my
opinion that Police boatman Casap

limb is limited, & this to such an
