*Proceedings of the Madras Government, Judicial Department,
1st November 1862.*

No. 1. Read the following letter from Colonel JOHN HILL, Commissary General; to the Chief Secretary to Government, Fort Saint George, dated 27th October 1862, No. 59.

In forwarding the accompanying for the consideration of Government, I beg to represent that, from what I can learn, the extra Magisterial duties of Major Benson in the Civil Pettahs of Bellary were considerable, and therefore deserving of the favorable notice of Government.

From Major R. BENSON, Deputy Assistant Commissary General; to the Commissary General Madras Army, dated 24th October 1862.

With reference to Government Orders, I have the honor to request you will be pleased to submit for the consideration of Government, the question as to whether, 21st July 1860, No. 915. now that Lieutenant Sewell has been granted the monthly sum of 70 15th " 1862, " 1,136. Rupees for the Magisterial duties of the Cantonment of Bellary only, I am not entitled to some remuneration or the like sum for the time I had Magisterial charge both of the Military Cantonment and Civil Pettahs of Bellary.

2. I should not have ventured to put forward this claim for the Magisterial duties of the Cantonment only; for I am fully aware, that, if granted retrospectively in one instance, all other claims must necessarily be admitted; but having had charge of the Civil Bazar in addition, I trust the Government will be pleased to view my case as an exceptional one, and grant, at the least, the 70 Rupees, during the period* I conducted the double duties—
* About 15 months, duties which I think have been already recognized, as arduous and deserving some recompense, in letters No. 796, 21st March and 849, 20th April 1861, from Mr. Pelly to the address of the Collector of Bellary, and in other correspondence.

No. 2. ORDER THEREON, 1st November 1862, No. 1,796.

Referred to the Magistrate of Bellary.
