Proceedings of the Madras Government, Judicial Department,
7th January 1862.

No. 18. Read the following Proceedings of Government in the Military Department, dated 20th December 1861, No. 4,712.

Observe that it would be unwise to relieve the Troops in the different Garrisons from furnishing the Guards required at the Pay, Treasury and Commissariat Offices, and direct the Controller of Military Finance to ascertain in communication with the Heads of the Police Department, the probable additional expenditure that would be necessary to incur by the employment of Civil in place of Military Guards at the Offices.

(Vide Proceedings Military Department, dated 20th December 1861, Nos. 565 & 567.)

No. 19. ORDER THEREON, 7th January 1862, No. 17.

Communicated to the Inspector General of Police, and also to the Commissioner of Police at Madras.

ADJUTANT GENERAL'S OFFICE,
FORT SAINT GEORGE,
6th December 1861.

(Signed) W. G. WOODS, Lieut. Colonel,

Adjutant General of the Army.

Proceedings of the Madras Government, Judicial Department.

Read the following papers :—

From the Commissioner of Police, Madras, 18th September 1861, *No.* 108 ; *to the Chief Secretary to Government, Fort Saint George.*

A Petition having been presented to Government in the month of October 1860, praying for the restoration of Crampton's Tannah at Perambore, I was called upon to report on the subject of the Police Stations which had been abandoned in consequence of the Orders of Government, dated 19th April 1860, No. 466, and 30th June 1860, No. 822, which I accordingly did in my letter of the 11th February 1861, No. 16.

Judicial Department, 3rd January 1861, *No.* 2.

2. In paragraph 15 of that letter, I drew attention to the Minutes of the Military Finance and Police Commissions, in which it was recommended that Military Authorities or Departments requiring the aid of Civil Constabulary as Guards or Watchmen, should pay for their services at the same rates as charged to private individuals.

3. I now observe, that an Order has been passed by the Supreme Government, and re-published in the Fort Saint George Gazette, directing that the above-mentioned principle should be carried out in practice, and I therefore take the opportunity of requesting that arrangements may be made in order that the Police Force now employed at the Gun Carriage Manufactory and Lunatic Asylum may be withdrawn for the purpose of re-occupying the abandoned Tannahs, a measure which is very desirable in every respect.

4. The Order in question leaves it to the heads of Departments either to employ Constabulary or special Watchmen, and in event of the Officers in charge of the Establishments now referred to, preferring the former, I shall be prepared to raise the requisite number of men on receiving the necessary authority for that purpose.

Proceedings of Government in the Military Department.

Communicating Memorandum from the Deputy Adjutant General of the Army, forwarding a Return shewing the Guards now supplied in the Presidency to Pay and Commissariat Offices, the Force in the Presidency, the number and strength of all Military Guards furnished by it, &c.

Here enter 2nd December 1861, No. 4381.

ORDER THEREON, 18th December 1861, No. 1562.

On reference to the above Return, it is observed, that the Guard at the Government House, Madras, consists of five Officers Commissioned and Non-Commissioned, and twenty-four Privates. The Guard at the Bank of Madras consists of two Native Officers and twelve Privates.

2. His Excellency the Governor has ceased to occupy the Government House at Madras as his residence, and has given it up for Public Offices. Orders will therefore be issued in the Military Department for withdrawing the whole of the Military Guard there stationed, and for detaching from it such force as may be necessary for guarding the Gun Carriage Manufactory. The Police Force now on duty at that Establishment will thus be withdrawn from it, and will be available at the discretion of the Commissioner for any Police duty for which it may be required.

1 *Duffadar.*
2 *Naigues.*
15 *Peons.*

3. On the Madras Bank being transferred into the buildings in the Fort now occupied as the General Treasury, the Military Guard at present stationed at the Bank will not be wanted there, and will be available for duty elsewhere. The Commissioner of Police will report at what places besides the Gun Carriage Manufactory, Military Guards could most appropriately be

employed in substitution of the Police. It is understood that the Madras Police is now not fully adequate to the duties devolving on it. At the same time, a large Military Force is for Military and Political reasons kept up for the Garrison of Fort Saint George, for whom, from considerations both of economy and discipline, sufficient employment should be provided. The Government would not be prepared to recommend that any expense be incurred in increasing the Police Force, until it can be shewn, that, under due arrangements, provision cannot be made in the Military and Civil Departments with the Force now available, for the protection of life and property, and maintenance of public tranquillity in the Presidency Town and its environs.

(True Extract.)

(Signed) T. PYCROFT,
Chief Secretary.

ORDER, No. 4712, 20*th December* 1861.

The Governor in Council has carefully considered the Return submitted by the Adjutant General, and is of opinion that the Troops in the different Garrisons have not more work than they are well able to do without prejudice to their health or discipline ; and that it would be unwise in the extreme to relieve them from furnishing the Guards shewn in red ink (italics in printed copy) on the plea that they are not of a purely Military nature—the substitution of Civil for Military Guards, while the latter are available, being in the opinion of His Excellency in Council as impolitic as it certainly is uneconomical.

2. In view to ascertain the probable additional expenditure that the employment of Civil in place of the Military Guards specified in the preceding paragraph would involve, the Governor in Council requests that the Controller of Military Finance will, in communication with the Inspector General of Mofussil Police and the Chief Commissioner of Police at Madras, submit an Estimate of the cost of the Police Force that would be necessary.

3. The protection of the Water Cistern in the North Esplanade is not a legitimate duty of the local Military Force. The Military Guard* now furnished for that purpose, will therefore be withdrawn from the 1st proximo, and the Department concerned required to engage a Police Guard or make any other suitable arrangement.

4. Ordered further that the foregoing Proceedings in the Judicial Department, be communicated to the Provincial Commander-in-Chief, for information and guidance.
