With reference to the Proceedings of Government in the Judicial Department, dated the 13th August last, No. 1,308, I have the honor to forward a List of the Arms, &c., on hand in the Huzoor Cutcherry and which may be made over to the Ordnance Department. Besides the number of muskets shown in the above statement as now in my charge, 89 have been given as a loan to the Superintendent of Police, and 21 more are to be given him, and he requests that these muskets might be issued to the Village Police, in Taluqs where serious crimes are occasionally committed, so that the villagers might have confidence to offer resistance.

2. As regards the Arms, &c., in charge of the Sibbandy Guards at the Salt Pans, and in the Taluqs, &c., not taken up by the Police, they could only be made over to the Ordnance Department, after the introduction of the Police in those places.
