Read the following papers :—

No. 106. From Major B. E. BACON, Assistant Secretary to the Government of India, to the Secretary to Government, Fort Saint George, Military Department, dated Fort William, the 30th September 1862, No. 1,085.

Military Department.

I am desired to transmit a copy of my letter, No. 1,081 of this date to the Government of Bengal, and to request that you will move His Excellency the Governor in Council to cause the Government of India to be informed what arrangements are adopted in the Madras Presidency, for the supply of Arms and Accoutrements to the Constabulary Police.

From Major B. E. BACON, Assistant Secretary to the Government of India; to the Secretary to Government of Bengal, dated Fort William, the 30th September 1862, No. 1,081.

A question having been raised as to whether supplies of Arms, Accoutrements, &c., for the new Constabulary Police are in future to be furnished by the Ordnance Department, I am desired to request that you will move the Honorable the Lieutenant-Governor to cause the Government of India to be informed as to the number and description of articles required for the equipment of the Police in the lower Provinces.

With respect to Accoutrements, it is believed, that supplies could be more readily and cheaply procured under local arrangements.

In returning the letter from the Assistant Secretary to Government of India, No. 1,035, dated 30th September 1862, I have the honor to state, that the Inspector General of Ordnance has given it as his opinion that, under the present Budget system, all Departments are required to make their own arrangements for obtaining their supplies of Arms, &c. from England.
