Proceedings of the Madras Government, Judicial Department,
22nd November 1862.

No. 151. Read the following letter from J. W. CHERRY, Esq., Civil Judge of Salem; to T. PYCROFT, Esq., Chief Secretary to Government, Madras, dated Salem, 30th October 1862, No. 11.

I have the honor to submit for the favorable consideration and orders of the Government, the following circumstances connected with the arrears of pay due to Alaghia Pillai the late additional Principal Sudder Ameen of this Court.

2. This Officer on the abolition of the Principal Sudder Ameen's Court at Chingleput, was appointed additional Principal Sudder Ameen of Salem to clear the arrears of Appeals on the file of this Court, and continued to perform his duties up to the 5th of December last.

3. On the day following he was seized with a sudden and fatal illness in consequence of which he requested me in his application for leave which was accompanied by a sick Certificate to allow him to quit the station in anticipation of the leave.

4. I granted his request in consideration of the very dangerous state of his health, forwarding his application to the late Sudder Court, by whom it was duly submitted to Government with their recommendation.

5. The Civil Auditor as called upon by Government, likewise reported that Alaghia Pillai was eligible for six months' sick leave under Sections IV and V of the Uncovenanted Service Absentee Rules.

6. The Government, however, in their Proceedings, dated 23rd December 1861, No. 1,582, expressed their inability to grant the sick leave, and desired the said Officer "to consider whether it would not be the more proper course for him to retire."

7. An application for pension was accordingly received from him on the 10th March last, but before it could be submitted in due form, the applicant died at Pondicherry on the 29th idem.

8. The heirs (sons) of the deceased claimed the arrears of pay due to their late father. A pay abstract was therefore submitted to the Civil Paymaster in which full pay was charged from 1st to 5th December 1861, and half pay from the 6th December to 29th March 1862.

9. The Civil Auditor passed the full pay up to the 5th of December, and has disallowed the rest on the ground that no leave had been granted by Government nor published in the Gazette.

10. Although the Government expressed their inability to grant the sick leave, still in accordance with the views expressed by them in the proceedings above referred to, an application for pension had been received from Alaghia Pillai, and he is therefore to be considered as having been superannuated from the 6th of December, and would seem to be entitled to a moiety of his pay up to the date of his death, the 29th March last.

11. Under the foregoing circumstances, I request the Government will, in consideration of the long and meritorious service of this individual for more than 34 years, be pleased to sanction the payment of the moiety of his pay from the 6th December 1861 to 29th March 1862, amounting to Rupces 943-8-9, which has been disallowed by the Civil Paymaster.

* To be returned.

12. The audited pay* abstract of the deceased Alaghia Pillai and his application for pension are herewith submitted for the information of Government.

No. 152. ORDER THEREON, 22nd November 1862, No. 1,896.

T. Alaghia Pillai, late Principal Sudder Ameen of Salem, is to be considered to have been absent on leave on Medical Certificate from the 6th December last to the 29th March last, the date of his demise.

2. The Acting Civil Paymaster will pass the moiety of salary which would have been payable to T. Alaghia Pillai to the heir of the deceased.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

I did not think it necessary
to make a reference in this
case to the Civil Department
as that office has already
reported and approved
This was entitled to
be done as indicated
in the report which it is
now proposed to present
to him respectfully
If he had lived he would
have been paid
as half salary from the
date at which he ceased
to perform his duties

JP

He died before the Pension
was granted and annu-
-ity & made his heirs
of mine the half salary
which would have been due
to him if he had been granted
the pension for which he was
eligible and his pension
had been granted in full
time, the simplest course
would be to grant the
same retrospectively.
