Read the following papers:—

No. 185. Petition from G. STREENEVASSA ROW, Sheristadar of Sub-Court of Bellary ;
to J. W. BREEKS, Esq., Private Secretary to His Excellency the Governor, Madras,
dated 21st June 1862, No. 1,770.

I beg to remind you what I have requested you in person when I came to Madras in the last month regarding myself and the Servants of the Sub-Court who are to be thrown out of employ from the 1st proximo, in reference to the Notification published in the Fort Saint George Gazette, dated 18th instant. Mr. Dawes the Principal Sudder Amin generously forwarded through the Civil Judge of Bellary a Memorial addressed to the Government by the Servants of my Court requesting that they may be re-employed in the Public Service, the said Memorial being supported by his letter. I therefore request you that you will try your utmost in providing me with a District Moonsiffship or with a Pleadership without the required examination being passed in consideration of my long service, qualifications, and testimonials in my possession. I have herewith enclosed for your high consideration the true copies of the Memorial and the letter above alluded to, and also an Extract from the Uncovenanted Service Register Book kept in the Sub-Court of Bellary which refers to me.

Transferred to the Chief Secretary.

No. 1,770 of 1862.

The Governor in Council having delayed the abolition of the Principal Sudder Amin's Court at Bellary for three months, no orders are at present required on this petition.

By order,

FORT SAINT GEORGE,
16th July 1862.

(Signed) R. S. ELLIS,
Acting Deputy Secy. to Govt.

From G. STREENEVASSA ROW, Sheristadar of the Principal Sudder Amin's Court, Bellary ;
to J. W. BREEKS, Esq., Private Secretary to His Excellency the Governor, Madras,
dated 12th November 1862.

With reference to my petition to Government, under date the 21st June last, No. 1,770, I was extremely glad to find that your honor marked with red pencil an important part therein that required consideration and orders; and referred it to the Council Chamber. But I received an order endorsed on my petition by the Deputy Secretary to Government under date the 26th July last, to the effect that as the abolition of the Principal Sudder Amin's Court was delayed for 3 months, no orders were required on my petition.

2. Now, I submit, the time for abolishing the Principal Sudder Amin's Court is very fast approaching. The moment that it is done, I will be thrown out of employ; and I consequently venture to trouble your honor, and request that you will be pleased to bring my circumstances to the favorable consideration of His Excellency the Governor and procure his sanction for being appointed to the office of a Pleader in the Civil Court and to that of the District Moonsiff upon its becoming vacant, without any condition of my passing a special examination for the same.

3. I have been serving Government for the last 22 years, and hold high testimonials from all the gentlemen under whom I have served. The Civil Judge of Bellary has however declined to make me a Pleader unconditionally, as per enclosed order, because he has no power to do so. But as I find that the Court of Sudder Udalt have very recently appointed an unpassed Candidate for a District Moonsiffship (vide Gazette of the 29th August last), I feel confident that if my case is allowed a mature and merciful consideration, I will likewise be declared entitled to hold a Moonsiff's or Vakeel's place without passing any examination in consideration of the

responsible situation which I now hold, the long period of my past service (22 years), the high testimonials which I possess, and the future prospect of my remaining employed for ever owing to an act done solely for the exigency of the State.

4. I beg to enclose a copy, No. 1, of my testimonials, and also the Civil Judge's order, No. 2, above referred to; and my former petition No. 3 to Government and orders thereon.

5. I beg to add that the Government has already on considering the hardship of the Servants who have been thrown out of employment on account of the abolition of the several Sub-Courts, been pleased to make provision for their being re-employed, in its Order dated the 18th September 1862, No. 1,536. Agreeably to the said Order the Civil Judge has submitted the list of the Servants therein called for to the Government which has been approved by the Madras Government (vide Proceedings of the Madras Government, dated 4th November 1862, No. 1,808) and several copies of the said list forwarded to the different authorities wherein it is recommended that I am efficient to hold an office of District Moonsiff, Pleader, or Taluq Magistrate, I therefore humbly beg to be provided with an office of Pleader without being subject to examination, thereby relieving my wants in some degree till my fortune serves to favor me with some further promotion.

6. As my Court will only be in existence for a very short time, I sincerely hope that your honor will obtain the favorable Orders of Government at an early opportunity.

Transferred to the Chief Secretary.
