Proceedings of the Madras Government, Judicial Department,

24 November 1862.

No. 189. Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to A. J. ARBUTHNOT, Esq., Chief Secretary to the Government of Fort Saint George, dated Ootacamund, 20th November 1862, No. 606.

I have the honor to submit that my Budget Estimates are likely to be indefinitely postponed if I wait for the return of Medical salaries chargeable to Jails, Estimates of probable cost of European Medicines, duly checked, and Estimates for Subsidiary Jails seven of the latter are still due and will probably be received shortly in answer to my repeated calls. The question of Medical salaries is, I am given to understand, under reference to Calcutta. The probable total cost of European Drugs I can form a tolerably correct Estimate of in the aggregate.

2. If the Government permit it I will send in my Budget Estimates and supplement them on receipt of the information still wanting, or detain the Estimates till the information is supplied.

3. In passing Estimates for Subsidiary Jails I have disallowed all charges for clothing, blankets, tools and implements; prisoners in these Jails for short periods may use their own clothes, &c., and if any labor is performed the Officer or public benefitting may find tools; I cannot exercise any control in the expense of such things in every Cutwal's Choultry, or "Sub-Magistrate's" Office, and I dare say tools will readily be found if needed without charge to Government.

No. 190. ORDER THEREON, 26th November 1862, No. 1,923.

Mr. Rohde may defer sending in the Estimate for the Jails Department till it is completed, but he should hasten it as much as possible.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
