Proceedings of the Madras Government, Judicial Department,

27th November 1862.

No. 193. Read the following letter from the Honorable E. DRUMMOND, Secretary to the Government of India, Financial Department; to the Secretary to the Government of Bombay, dated Fort William, Council Chamber, the 24th October 1862, No. 809G.

Financial Department.

I am directed to acknowledge the receipt of your letter, No. 1,075, dated the 11th April last, intimating that there is no probability of any portion of the 6,000 Carbines sent out by the War Department being required for any purpose whatever in the Bombay Presidency.

2. In reply, I am directed to observe that the Governments of Bengal and of the Punjab would take all the weapons, while the Madras Government would take 2,500 out of the 6,000. As, however, the Punjab Government is not in a position to defray the cost of the Carbines out of this year's Budget Grant, His Excellency the Governor General in Council remarks that it will probably be the most economical arrangement to transmit 2,500 smooth bore Foot Police Carbines to Madras, and the remainder of the weapons to Calcutta, for the use of the Constabulary in this Presidency.

No. 810G.

Ordered, that a copy of the above letter be sent to—
