*Proceedings of the Madras Government, Judicial Department,
27th November 1862.*

No. 195. Read the following letter from E. B. FOORD, Esq., Acting Magistrate of Kistna District; to the Honorable T. PYCROFT, Chief Secretary to Government, Fort Saint George, dated Masulipatam, 4th November 1862, No. 477.

With reference to the Proceedings of Government in the Judicial Department, dated 16th August 1862, No. 1,339, ordering the trial of one Hussanamad, charged with having committed Dacoity, attended with murder, in the territories of His Highness the Nizam, to be heard before the Sessions Court at Masulipatam, I have the honor to submit, for the consideration of Government, copy of a letter on the subject from the Officiating Resident at Hyderabad, enclosing purport of a note from His Highness the Nizam's Minister, from which it appears that the rest of the gang of Dacoits, of which Hussanamad appears to be a member, are undergoing their trial before the Court in the Nizam's territories, and that he is the only one of them captured in British territory.

2. Under these circumstances, I would recommend that the said Hussanamad be sent for trial before the Nizam's Court, and request that I may be favored with orders of Government to do so.

From Major A. R. THORNHILL, Officiating Resident; to the Magistrate of Masulipatam, dated Hyderabad Residency, 27th October 1862, No. 1,565.

Political Department.

I have the honor to forward for your information, copies of the correspondence noted in the margin with His Highness the Nizam's Minister (with purport) on the subject of your letter of the 17th instant, No. 453, and request you will be so good as to inform me whether you would still desire the complainant and witnesses alluded to, to appear before the Sub-Magistrate of Nandigama.

(True Copy.)

(Signed) E. B. FOORD,
Acting Magistrate.

Purport of a note from the Minister to the Officiating Resident, dated 24th October 1862.

With reference to the letter of the Collector of Masulipatam, intimating that certain individuals, as requested, have not appeared as yet. These not having done so, is not to be attributed to any indifference on the part of the Taluqdar, who is having the case of Dacoity investigated in the Kummum Adawlut, only one of the Dacoits has been apprehended in British Territory, and as the rest were captured in the Nizam's, to send the whole of the individuals to Nundigama would be a source of inconvenience and expense to the parties, as well as leaving the case undisposed of, therefore it would seem expedient to send the one individual apprehended in British Territory to Kummum for trial, the proceedings of which will be sent to you for information and approval. I will then act in any way you may suggest. If it should be found necessary to satisfy the Magistrate of Nundigama of the guilt of the individual, orders will be issued to send the parties, &c., as required by the proclamation lately made on the subject.

Purport of a note from the Minister to the Officiating Resident, dated 28th October 1862.

As you consider it necessary that the complainant and witnesses should be sent as requested by the Magistrate of Masulipatam, I have again directed the Taluqdar of Kummum that immediately on the termination of the investigation of the case in the Kummum Adawlut to forward the complainant and the witnesses, &c., to the Subordinate Magistrate of Nundigama.
