*Proceedings of the Madras Government, Judicial Department,
28th November 1862.*

No. 199. Read the following letter from C. F. CHAMIER, Esq., Registrar of the High Court of Judicature at Madras; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 4th November 1862, No. 25.

1. With reference to para. 11 of the Order of Government, dated 11th ultimo, I have the honor to state that Mr. Ellis called at my office and mentioned that he proposed recommending that authority should be given for the employment of an additional Examiner on Rupees 100 a month to examine the Press proofs.

2. I have not received official intimation of any contract having been entered into with the firms of Cookson & Co., and Graves & Co., for printing the papers of the Appellate side of the High Court; but some papers of this description, not furnished to them from this office, have this day been sent to me by Messrs. Cookson & Co., already set up in type, for the purpose of being examined.

3. I presume, therefore, that an agreement has been duly entered into, and request that you will at your earliest convenience obtain the sanction of Government for my employing an extra Examiner on Rupees (100) one hundred, to do the work of correcting Press proofs hitherto done at the Government Press; the two present Examiners in my office being fully occupied. A Reader on Rupees 21 will also be required.

No. 200. ORDER THEREON, 28th November 1862, No. 1,932.

A copy of Proceedings 25th ultimo, No. 1,235, Public Department, will be furnished to the Registrar of the High Court (Appellate side).

2. Under Article 5 of the engagement with Messrs. Graves, Cookson & Co., the examination of clean proofs of printed work executed by the Contractors under the direction of the Registrar of the High Court, will be carried on in the Registrar's Office. The duty, it is stated, cannot be undertaken by the Establishment of the High Court, and Mr. Chamier has accordingly applied for an Examiner on Rupees 100, and a Reader on Rupees 21 a month.

3. The Supervisor of the Government Press is requested to transfer to the Registrar's Office a Proof Examiner and a Reader from the Establishment of the Government Press—or, if that cannot be done, the amount proposed by Mr. Chamier, Rupees (121) one hundred and twenty-one, will be assigned to him from the reduction of Rupees 589 a month effected in the Government Printing Establishment on the commencement of the Contract. The Civil Paymaster is instructed accordingly.

4. The salaries of the Examiner and Reader will be passed against the same head of account as the payments to the Contractors for High Court work.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
