Before this Jeypore has only been twice visited by the Officers
\$55 by Captain Owen and again in 1859 by Mr. Reade. Each was
days only and in both cases Government sanctioned their Contingent bills, for conveyance of
tents, batta and the like, and directed the Civil Auditor to pass similar charges on similar
occasions up to the usual limit of 400 Rupees, without submitting them for sanction. These
were hasty trips enough. It has been determined thoroughly to take up the country, and
from its wild inaccessible nature and the admitted difficulties of travelling there, we shall be
very considerably out of pocket, if a rate similar to that allowed for the Orissa Agency
be refused to the Vizagapatam Agency in Jeypore. A Collector's daily travelling allowance
is 5-4-0, say Rupees 10 (the Orissa Officers) for Jeypore
double the rate for the Vizagapatam Agency.

starting about the end of this month. proximo.

1. The Board do not clearly understand why Mr. Carmichael in his capacity as Agent
to the Governor has addressed this letter to them, and they resolve to submit it for the orders
of Government.

2. They observe that the sum of Rupees 2,500, alluded to in paragraph 6, has been sanc-
tioned by the Supreme Government, but it did not come within the Board's province to commu-
nicate the sanctioned items in the Agency Department to the Agent.

3. The provision in the Revenue Department for travelling allowances was reduced by
Government, and the Board observe that the amount thus determined for the Vizagapatam
District is absolutely insufficient to meet the ordinary requirements of the Assistants without
leaving any provision whatever for the Collector. The charge of Rupees 1,500 now necessary
at the ordinary rates of batta, can however be met in the manner proposed by the Acting
Agent if sanctioned by Government, but the additional and special rates of batta for which
he applies and which appear to the Board reasonable, can only be provided from savings in
other items in communication with the Accountant General.

(Signed.) W. HUDLESTON, Secretary.

ORDER THEREON, 28th November 1862, No. 2,507.

1. The Governor in Council observes that the sum allowed for travelling charges
(Rupees 1,18,284) in G. O. 28th January last, No. 128, Revenue Department, was calculated
on the supposition that each Officer would on the average be a certain number of months on
circuit. The Governor in Council sees no reason to suppose that the estimate for the Presi-
dency will prove insufficient, though in particular Districts there may be a deficiency of funds
to be met by transfers from other Districts in which there will be a surplus.
