I am directed to request that with the permission of the Honorable the Governor in Council you will state for the information of this Government what course has been taken, or is contemplated by the Government of Madras, in relation to the reception or refusal by Government of representations from the Ministerial Officers of the High Court, who may feel themselves aggrieved by the orders of the Judges.

2. It appears to the Governor in Council to be very desirable that this question which forms the subject of para. 10 of Sir Charles Wood's Despatch, No. 24, dated 14th May 1862, to the Government of India should be disposed of, as soon as possible, and I am desired to request the favor of an early reply to this reference.

In acknowledging the receipt of your letter of the 4th ultimo, I am directed to inform you that the Madras Government has not yet determined what course should be taken in reference to the reception or refusal by Government of representations from the Ministerial Officers of the High Court who may feel themselves aggrieved by the orders of the Judges. The whole question of the Ministerial Establishment to be assigned to the High Court is now under the consideration of this Government, and the point raised in your letter will be disposed of when it has been settled what Officers shall be attached to the Court.

in charge Penitentiary.

To,

Major W. S. Wilson
Commissioner of Prison.

Sir,

I have the honor to acquaint you that a Prisoner named Joseph, has become furiously maniacal without any apparent cause: and, as I am informed he has previously been under restraint for a similar affection. I think it is desirable that he should be removed from jail, as there are no proper means of controlling him; and the disturbance he is causing, if continued, is likely to be detrimental to the health of any Prisoners who may be located near him from the utter impossibility of their obtaining sleep or rest in his vicinity.

I have the honor to be,
Sir,

Yours most Obedt. servant.

Ap. Surgeon in charge.
