PROCEEDINGS OF THE MADRAS GOVERNMENT

Read again letter from Secretary to the Board of Revenue, dated 30th September
in Government Proceedings 18th October 1862, No. 2,233:—

Read also the following letter from HUDL the Board of
Revenue, to A. J. ARBUTHNOT, Government, dated
Madras, 4th November 1862.

SIR,

1. With reference to the Proceedings of Government, dated 18th October last, No. 2,233,
of Revenue in the present

2. It is suggested that a corresponding change should be
made in the Judicial Department of the District service, but they doubt not that the point will
receive due consideration from Government.

ORDER THEREON, 4th December 1862, No. 2,543.

1. In the first of these letters the Board of Revenue submit for the consideration of Govern-
ment, the inferior position of the Office administrative Departments in the
Kurnool District in regard to emol Districts or reasons
stated, they recommend that this matter be considered. With the second letter the
Board submit a Tabular Statement of the proposed pay to the Collector, and they
leave it to the Government making a corresponding change in the
Judicial branch of the District

was formerly a Non-Regulation Province, and the Collector, or Agent as he
was then termed, received a salary of Rupees 2,000 per mensem.
Large Taluqs from Cuddapah and Bellary were

The Court of Directors gave the Collector a higher salary than
Rupees 2,000 "pending the consideration of the rate of Civil Allowances" then "in progress"
under Mr. Ricketts, and still unsettled. The same remuneration was also fixed for the Judge of
the District.

Kurnool is now a large Collectorate. Transfer from it to another District being
peculiarly advantageous to the Officers in charge, is sought by them; but the Governor in
Council considers it objectionable that for the comparatively small sum at issue Rupees 666-10-8
per mensem important District should be held as always to have the youngest Officers
as Collector and Judge and to lose their services just when they have gained valuable experience
of the District. He therefore resolves to submit the Board's letters to the Government
in the expectation that the Collector and Judge of the District may each be
allowed mensem, the increased charge to take effect
from date of sanction, and to be met out of savings in the current year's Budget. No separate
provision for the purpose need be made in the Supplemental Budget for 1862-63.
