Resolution.—The Governor General in Council observes, that the allowance sanctioned by the Government in this case is not warranted by the Regulations or Order in the Military Department. It is to be regretted that the allowance was granted without sufficient enquiry having been made. As, however, the charge has been paid upon the sanction of the Local Government, it now be overruled; but it would have it that the officers on detached duty are entitled to that sum. Walker will not in future be sanctioned.

Ordered, that a copy of the above resolution, together with a copy of the papers, be forwarded to the Foreign Department, and that the original documents from that Department be returned.

Ordered, also, that a copy be sent to the Governments, Departments, and Officers, noted in the margin, for information and guidance.
