*Proceedings of the Madras Government, Judicial Department,
19th December 1862.*

Read again Proceedings, dated 14th November 1862, No. 1,860.

No. 178. Read also letter from J. ROHDE, Esq., Inspector General of Jails; to A. J. ARBUTHNOT, Esq., Chief Secretary to the Government of Fort Saint George, dated Ootacamund, 25th November 1862, No. 617.

In accordance with the requisition* of the Supreme Government in regard to the proportion of the estimated cost for 1862-63 of the European Prison at Ootacamund, debitable to each Presidency, I have the honor to submit for communication a Statement showing the sums chargeable to the Imperial Government, and to this Presidency.

2. A similar Statement will be sent for 1863-64 accompanying the Budget Estimate.

No. 179. ORDER THEREON, 19th December 1862, No. 2,068.

The Government of India have directed that the charges of the Ootacamund Jail should be debited to the several Presidencies in the proportion of the Convicts sent by them to that Jail, but that the entire charge should, in the first instance, be estimated for in the Madras Budget, and the necessary deductions made, therefrom, for portions debitable to other Presidencies.

2. The European Prison at Ootacamund contains 36 cells. No Convicts have been received from Bombay. There are in it at present 28 Bengal Convicts, thus leaving 8 cells for Madras. In Mr. Rohde's Statement accordingly, the Estimate for 1862-63 is divided between Madras and Bengal in the ratio of 2 to 7 ($\frac{2}{9} = \frac{2}{9}$). In place, however, of making the division in every item throughout the Estimate, it will be simpler to subtract the amount chargeable to Bengal once for all from the general total—the remainder, after the deduction, being the charge to be borne by Madras.

3. His Excellency the Governor in Council is not of opinion that any portion of the expenditure on account of Convict manufacture should be debited to Bengal. The amounts, being merely advances recoverable from the sale proceeds of articles manufactured, will be borne entirely by this Presidency, and the receipts of the Jail, which for 1862-63 are estimated at Rupees 2,000, will be credited entirely to Madras.

Revised Estimate for 1862-63.....	26,007
Supplemental do.	1,656
	27,663
Deductions for Manufactures:—	
Raw Materials.....	1,200
Incidental expenses	500
	1,700
	Rs. 25,963
Bengal 2/9 of do.....	20,193
Madras 7/9 of do.....	5,770
Add advances for Manufactures..	1,700
	7,470
	Rs. 27,663

4. Under this arrangement, the proportion of the estimated expenditure for the European Prison at Ootacamund debitable to Bengal will be Rupees 20,193, and that to be borne by Madras will be Rupees 7,470, and the Government of India will be advised accordingly in reference to paragraph 3 of their letter of the 10th October last, No. 690A, Financial Department.

5. As the Estimate for this Jail will be exhibited in the Madras Budget, the Civil Paymaster will pass the Abstracts and Bills on account of it, for the full amounts, as at present, leaving it to the Accountant General *annually* to adjust the charge by one transfer of the amount chargeable to Bengal to debit of that Presidency.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

No. 180. To the Secretary to the Government of India, Financial Department, dated Fort Saint George, 19th December 1862, No. 2,069.

I am directed to annex a copy of the Proceedings of this Government under this date, No. 2,068, relative to the distribution of the charges of the European Prison at Ootacamund, in accordance with the orders of the Government of India, communicated in your letter of the 10th October last, No. 690A, and to request that authority may be granted for transferring the sum of Rupees 20,193 from the Madras to the Bengal Budget for 1862-63.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
