*Proceedings of the Madras Government, Judicial Department,
20th December 1862.*

Read again letter 13th November 1862, No. 169, from the Civil Paymaster, recorded in Proceedings 20th November 1862, No. 1,882.

No. 185. Read also letter from W. ROBINSON, Esq., Inspector General of M. Police; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 22th November 1862, No. 2,809.

General Department.

With reference to Government Order No. 1,882, dated 20th November 1862, Judicial Department, I have the honor to state that the gratuities in question cannot be defrayed from the Madras Police Superannuation Fund.

2. The reduction took place in consequence of the organization of the Constabulary. The men in question never formed part of District Constabulary.

3. The men of the Kurnool Horse never have and do not now pay to this service Fund. It cannot therefore be applied to their gratuities.

4. The case of these men is a peculiar one. The Kurnool Horse is really a political rather than a Police body. They were raised to give employment to the retainers of the Nawab when his Territory was occupied on account of treachery to the State.

5. In 1857 it was considered advisable to give employment to a still further number of persons of the same class and character or their descendants with a view to keeping their limit and defending the frontier against Rohillaes.

6. Circumstances admitted of my recommending the disbandment of the extra levy in 1861 as a measure of economy. This had been carried out.

G. O., No. 368, dated 18th March 1861.

Cost of Horses, Accoutrements, &c.	14,494-15-10
Gratuities	1,983- 5- 4
Rupees..	16,478- 5- 2

7. The saving to the State thus effected has been Rupees 31,200 *per annum*, Rupees 26,000 were sanctioned to meet the probable cost of the reduction. A most careful economy has been observed and the charge to the State amounts as per bills to Rupees 16,478-5-2 only.

I trust that no difficulty will occur in sanctioning the passing of the latter bill. The amount might be debited to Police.

No. 186. ORDER THEREON, 20th December 1862, No. 2,073.

The orders sanctioning gratuities to the disbanded levy of the Kurnool Irregular Horse, will be reported to the Government of India.

2. The amount disbursed not being a recurring charge, the Civil Paymaster is authorized to pass the bill. The gratuities will be debited to the Budget for 1861-62.

3. On the assurance that none of the rights and privileges appertaining to the original body of the Kurnool Horse had been guaranteed to the levy of 1857, the Government sanctioned the reduction of the Irregular Horse to the establishment as it stood originally, and authorized with other compensation in respect to their horses, arms, &c., the grant of a gratuity at the rate of one month's pay for every year's service in the Ressalah.

4. As vacancies in the Corps had not been filled up, the number of men to be discharged was 73, and the amount paid to them in gratuities was Rupees 1,983-5-4. The month's pay allowed for each Sowar was taken at Rupees 8-5-4, or $\frac{1}{2}$ the sanctioned rate of Rupees 25 (the remaining $\frac{3}{2}$ of the gross pay being regarded as Horse allowance), so that 73 men received a gratuity equal in fact to only one month's full pay, and the rest of the men less than that amount.

5. The Kurnool Horse, although incorporated with the Police Force, has not been made to contribute to the Police Superannuation Fund, and the gratuities cannot, therefore, be debited to it. I am accordingly directed to solicit the sanction of the Government of India to the amount disbursed. The saving by the disbandment of the additional levy is at the rate of Rupees 38,160 per annum.

Chief Secretary.
