Proceedings of the Madras Government, Judicial Department,
11th February 1862.

Read the following papers :—

No. 70. From T. J. KNOX, Esq., Session Judge of Chicacole; to C. F. CHAMIER, Esq., Registrar to the Court of Sudder Adalut, Fort Saint George, dated 14th October 1861, No. 363.

I have the honor to report for the information of the Judges of the Sudder Court that for one year I have constantly but without success endeavoured to procure from the Collector of Ganjam the lists prescribed in Section VII, Regulation I of 1820.

As the 4th month of the present Fusly is passing away and as the newly established Police are likely soon to discover that though spirits are sold there are no licensed shops and numerous prosecutions must arise, I am desirous that the Judges should be aware of my position, as a Judge bound to administer in a fiscal matter the written law and yet finding a custom in direct opposition of law sanctioned by the Chief Revenue Officer in the District.

REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Revenue, dated 24th December 1861, No. 7,196:—

Read the following letter from G. S. FORBES, Esq., Collector of Ganjam, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Kimedy, 7th December 1861, No. 321.

SIR,

1. With reference to the Board's Proceedings, dated the 15th ultimo, No. 6,321, communicating the requisition of Government, dated the 12th idem, No. 2,156, for an explanation on any part of the statements made by the Sessions Judge of Chicacole regarding Ábkári licenses, I have the honor to state that the Ábkári farm having been rented out to two individuals at a very large increase (Rupees 20,923) on the revenue of the past five years, the late Renters combined to throw difficulties in the way of the new contractors by influencing the Sub-renters to decline coming to terms. They were, therefore, unable to conclude the Sub-rent of their farms within three months after the close of Fasli.

2. Being aware of these difficulties I did not wish to press the Renters too early for the list of Moochilkas executed to them by the persons employed to superintend Stills and Shops, and for copies of agreements between themselves and their Sub-renters, and waited till the several farms should have been finally sub-rented. I have, however, already passed stringent orders to the Renters to produce the Moochilkas and agreements, and I hope they will be shortly ready. As soon as I receive them I shall furnish the Judge with prescribed lists.

3. In the interval the Shops have been opened under temporary permits from the Renters.

Ordered to be submitted for the information of Government, with reference to their Proceedings quoted by the Collector.
