Proceedings of the Madras Government, Judicial Department,
12th February 1862.

No. 83. Read the following letter from J. D. GOLDINGHAM, Esq., Subordinate Judge; to R. R. COTTON, Esq., Civil and Session Judge of Madura, dated 27th January 1862, No. 18.

I have the honor to request you will submit to the Government this my application for six months' special leave under Section XIV, to proceed to England upon urgent private affairs.

2. I would observe for the information of Government, that I have not had leave of any description since December 1858, and that three months' privilege leave is all I have had in my whole present (namely eight years and five months) period of service.

3. In the event of the Government being pleased to grant me this indulgence, I would further request fifteen days' leave commencing from the 1st May preparatory to embarkation.

I can give no opinion in this case, not being aware of the nature of the "urgent private affairs." Mr. Goldingham however appears to be entitled to Furlough, but probably having only lately been confirmed, is unwilling to give up his appointment.

(Signed) ROBERT R. COTTON,
Civil and Session Judge.

27th January 1862.

The Sudder Court beg to recommend that this application may be complied with.
