*Proceedings of the Madras Government, Judicial Department,
21st February 1862.*

No. 183. Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated Ootacamund, 18th February 1862, No. 73.

I have the honor to forward copies of correspondence* between the Private Secretary to the Governor of Bombay and the Sessions Judge of Honawar relative to the employment of the convicts in the Honawar Jail, in association with those of the Dharwar Jail, on the Kyga Ghaut.

* To be returned.

2. I have no information as to the control under which Mr. Hope proposes to place these convicts or even those from his own Presidency beyond the limits of the jurisdiction of its Officers.

3. I have informed Mr. Ratliff that I do not consider that the convicts from the Honawar Jail can legally be placed under the control of any Officer who has not the authority of the Madras Government to his exercising the powers vested in Officers in charge of Jails, and that I am not aware of the Government of Bombay having any authority in North Canara.

No. 184. ORDER THEREON, 21st February 1862, No. 284.

It is probable that the Province of North Canara will very shortly be transferred to the Bombay Government, and it is very desirable that every assistance should be afforded to that Government in their operations on the Kyga Ghaut. Resolved, therefore, that the Judge of Honore be directed by Telegraph to comply with any application for convict labor on the Ghaut which he may receive from the Bombay authorities, and that the Bombay Government be advised of this Order by Telegraph.

(Signed) T. PYCROFT,
Chief Secretary.
