Proceedings of the Madras Government, Judicial Department, 24th February 1862.

No. 211. Read the following letter from Major General G. C. WHITLOCK, Commanding Northern Division; to the Adjutant General of the Army, Fort Saint George, dated Waltair, 4th February 1862, No. 34.

On the requisition of the Agent to the Governor of Fort Saint George, in Ganjam, I have the honor to report for the information of His Excellency the Commander-in-Chief, that I have detached a full Company, under an European Officer from the 37th Grenadiers to Chicacole to take up the Station duties on the departure of the 31st Regiment L. I., to Vizagapatam.

2. I have been in communication with Mr. Robinson, now here, who is really most desirous, that the Police should relieve Regiments from Detachment duty, and he has shewn me his letter to the Collector (Mr. Forbes) in which he has stated his being prepared to send a strong and efficient body of men to Chicacole to take charge of the Treasury and Public buildings and he has mostly strenuously recommended the measure; still I have been called upon for the Military.

3. I have thought it desirable that the 31st Regiment should not be broken up, and in sending a Company from the 37th Grenadiers the expense of batta on periodical relief will be lessened, and if further aid be necessary the same Regiment close at hand can furnish it.
