Proceedings of the Madras Government, Judicial Department,
26th February 1862.

Read the following papers :—

No. 223. Proceedings of the Board of Revenue, dated 19th December 1861, No. 7,108.

From J. W. B. DYKES, Esq., Collector of Nellore ; to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated 9th December 1861, No. 267.

1. When the new Police took charge of the Town of Nellore, five Tannah stations were left at my disposal ; and placed under the immediate care of the Village Magistrate ; these stations, which are small tiled buildings, are at present available for travellers to halt at, and are a great convenience.

2. One of these stations it will be necessary to pull down in making a new approach into the Town, which is much needed, and the plans for which are now being prepared by the District Engineer.

3. And in selling the materials of this Tannah, I propose also to sell, at the same time, the materials of an old bombproof Magazine, that was abandoned some years ago, and at present occupies, what would be a very good site for a private house, which site I also propose to put up to sale at the same time.

4. The only entrance to the Town, at present, from the south, is through the Sarvapalli gate, which is a double gate with a very awkward turn, like most of the entrances into native forts. By the new entrance this gate with its disadvantages will be wholly avoided ; and under these circumstances, I do myself the honor to request that the Board will be pleased to recommend to Government that the proceeds of the Tannah, the bombproof and building site may be devoted to meeting the expenses incident to making the new approach.

Ordered to be submitted for the consideration of Government.

No. 224. From W. ROBINSON, Esq., Inspector General of Madras Police ; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Chicacole, 7th February 1862, No. 327.

With reference to the Proceedings of the Board of Revenue of 19th December 1861, referred to me under 17th instant, I have the honor to state that the Police Tannahs alluded to by the Magistrate of Nellore are not required by the Police.

No. 225. ORDER THEREON, 26th February 1862, No. 324.

The sale of the materials of the Tannah referred to in paragraph 2 of the foregoing letter of the Collector of Nellore is sanctioned, the proceeds of the sale being credited in the Government accounts in the usual manner.

2. The same course will be adopted in the disposal of the materials and site of the bombproof building mentioned in paragraph 3, which the Collector states has been abandoned for some years for Military purposes.

Proceedings of the Madras Government, Judicial Department,
26th February 1862.

3. The Collector will submit a report on the advisability of the Government continuing to retain any longer in their possession the 4 other Tannahs alluded to in his letter, which are not now required by the Police, and are being made use of in a manner not intended, or sanctioned, by Government.
